Your weekly update about
COVID-19 and musculoskeletal health

9 April 2020

We've changed how we work due to COVID-19

Our office is closed but we're still hard at work. Call us weekdays between 9am and 5pm on 1800 263 265, email helpline@msk.org.au or send a message via [Facebook messenger](#). Or you can access all of our staff contact details [on our team page](#).

Keep well, stay home, check in with your family and friends regularly and stay up-to-date with everything musculoskeletal by following our socials and reading this newsletter. And please feel free to share it with other people you think will find it helpful.

Easter break

We'll be taking a short break this weekend. Our phone lines will be closed Good Friday and Easter Monday, but we'll be back ready and rejuvenated on Tuesday for your calls and emails. You can stay in touch and up-to-date via our socials and website.

Masks and gloves - a must have fashion accessory this year?

A brown teddy bear is sitting and wearing a blue surgical mask. The bear is positioned in the center of the frame against a solid blue background. The mask covers its nose and mouth, with white elastic straps visible. The bear's paws, which have dark brown paw prints, are visible at the bottom.

A few short months ago the thought of hanging out at home with no obligations would have been a dream. Relaxing, feet up on the couch, a cheeky afternoon nap. Now that we have to stay at home, we're all finding it a little harder to remain sane and entertained. So we've come up with a bunch of [things you can do at home this Easter long weekend](#), and into the coming months.

Information at your fingertips

Visit our [website](#) for up-to-date info about **COVID-19**, managing your condition and our other events and services and follow us on [Facebook](#), [Instagram](#), [Twitter](#) and [YouTube](#).

Contact our national MSK Help Line

Our nurses are keeping on top of all the latest medical information about COVID-19, and can give you lots of helpful information and support. Contact the MSK Help Line on weekdays on 1800 263 265, email helpline@msk.org.au or send a message via [Facebook messenger](#).

Smile - and the world smiles with you

We love Magda. Did you see her video this week? To maintain social cohesion in a time of social distancing she recommends dancing! Yay! You can watch her video on [Instagram](#), [Twitter](#) and [Facebook](#). This will definitely make you smile, and hopefully get up and dance too!

Coronavirus Health Information Line

Call this line if you're seeking information on coronavirus (COVID-19).
It operates 24 hours a day, seven days a week on 1800 020 080.

Musculoskeletal Australia is an ACNC registered charity. We're reliant on the generosity of the community at this time. If you've found our information and services valuable we invite you to make a tax deductible donation of whatever amount you can afford.
